Re: Confirmation Letter

Dear Mr. Larbi Bouattaf:

I am pleased to confirm our continued representation of the Embassy of the Kingdom of Morocco in connection with outreach and engagement with the Congress and Biden Administration. Our representation will be in accord with the terms and conditions set forth in our initial engagement letter.

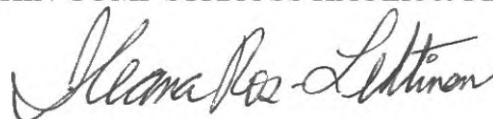

For the scope of services outlined above, the firm will bill you \$40,000 per month for a total of \$80,000 due upon execution of the agreement for the term February 1 to March 31, 2022, unless terminated sooner or extended by mutual written agreement.

We require that payment of statements be made within 30 days of receipt, and we may suspend or terminate any work in progress if timely payment is not made. We may also withdraw from the representation in a manner consistent with applicable ethical standards.

If you choose not to notify us in writing of any objection to these terms, then that will also serve as agreement to these terms, subject, of course, to your right to terminate our engagement at any time.

Sincerely,

AKIN GUMP STRAUSS HAUER & FELD LLP
